

MCA Program Admission Brochure for BIT Mesra (Residential Mesra, Non-Residential Lalpur) and its Off Campuses at Noida & Jaipur- Academic Year 2026-27

Master of Computer Application

Introduction

INTRODUCTION

Master of Computer Applications (MCA) Program is of 2 years duration and the program is offered at BIT Mesra (Residential – Mesra, Non-Residential- Lalpur) and its Off Campuses at Noida & Jaipur.

The Master of Computer Applications (MCA) program offered by the Department of Computer Science, BIT Mesra is one of the most coveted Post Graduate courses in the Institute. The course was originally designed as a three-year program to produce top quality, industry ready professionals who would provide tremendous value addition to the burgeoning IT service sector in the country.

In conformance with the guidelines issued by AICTE, the program is now being offered with a reduced tenure of two years, which features an intensive course curriculum and a multitude of sessional and laboratory courses. The course structure has been carefully designed with an even mix of courses addressing core facets of computer science and IT applications. We regularly invite eminent experts from the Industry and academia to moderate our course structures and are committed to updating them regularly to keep them relevant. Accredited by the National Board of Accreditation¹, the MCA program provides ample opportunities to students to hone their programming, application development and software engineering skills which are in high demand in the IT sector.

Acknowledging the fact that the best way to learn is by doing, the course provides for a compulsory one semester Industry Internship, during which students spend time across India's top IT companies, learning the nuances of applying their skills to practical IT challenges. The program also features courses from the domains of Social Sciences, Management, Soft skills etc., which are important ingredients in producing truly

committed professionals who appreciate the social, ethical and economical needs of the nation.

The program also ensures that all students get to explore their own aptitudes to the fullest by offering a vast array of electives, which students can opt for from the second semester onwards. These electives have been carefully curated to be in sync with the demands of the Industry and add to the value of the course.

It is this pursuit and commitment towards excellence that has been acknowledged by the Industry and each year some of the best IT companies from India and abroad visit the Institute to offer placement opportunities to the students of the MCA program. We are proud that for over three decades the MCA program has maintained an enviable placement record and our alumni now occupy positions of eminence across many corporates spread across the globe.

Eligibility Criteria

1. Candidates must hold a Bachelor's Degree or equivalent qualification of any of the Universities incorporated by an act of the central or state legislatures in India or other educational institutions established by an act of Parliament or declared to be deemed as a University under section 3 of UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India / AIU. This degree must entail a minimum of three years of education after completing higher secondary schooling [Class 12 or equivalent] (10+2+3 system).
2. **Candidates must have one of following qualifications:**

- a. **Bachelor of Computer Applications OR**
 - b. **B.Sc. in Computer Science OR**
 - c. **B.Sc. in Information Technology OR**
 - d. **B.Sc. in Computer Applications**
3. Candidates with above mentioned qualifications must have minimum 55% (50% for SC/ST/PwD) marks in average in graduation, marks to be computed as average of marks obtained in all subjects in which the candidate has appeared. [Candidates with B.Sc. Honours must have minimum 55% (50% for SC/ST/PwD) marks in average in their Honours subject].
 4. Candidates appearing for final examinations of their Bachelor's Program in 2026 can also apply, provided they have obtained requisite marks or equivalent (as per item 3 above) based on latest available grades / marks at the time of applying, and if selected can join the program provisionally. At the time of reporting for the verification of documents cum admission such an applicant must bring a certificate in original from the Principal of Institute stating that:
 - a. by 2026, (s)/he will have appeared for examination in all subjects required for obtaining his/her Bachelor's degree.
 - b. (s)/he has obtained requisite marks or equivalent (as per item 3 above), based on latest available grades / marks.

Provisionally selected candidates will be required to sign an undertaking at the time of admission on Non-Judicial Stamp Paper of Rs. 20/- (as format given in Annexure -I).

Further, their admission will be confirmed only when they submit the mark sheet and a certificate of having passed the Bachelor's degree / equivalent qualification with requisite marks as per item 3 above. They must submit proof of passing their final examinations with requisite marks by **31 October 2026**. Non-fulfillment of this condition will automatically result in the cancellation of the provisional admission.

5. **Candidates with qualifications acquired through correspondence or distance-learning programs are eligible only if (a) the programs are recognized by the DEC-IGNOU (b) they have passed the qualifying examination at the time of applying, with minimum requisite marks in average calculated as per item (3) above. They must carry original copy of pass certificate, marksheets of qualifying examination and proof of Institute recognized by the DEC-IGNOU along with their application during admission. Appearing candidate in distance learning programs, whose results are yet to be declared, are not eligible to apply.**

Notes:

1. Candidates with foreign diplomas should see the EdCIL website for equivalence (<http://www.edcil.co.in>), and if required should obtain an equivalence certificate from the evaluation division of the AIU (website <http://www.aiuweb.org>).
2. In case any Board / University awards grades instead of marks, the calculation of equivalent marks would be based on the procedure prescribed by the Board / University. In case a University does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing obtained CGPA with the maximum possible CGPA and multiplying the resultant with 100.
3. At any level of the studies [class X, class XII or graduation], a candidate / applicant must have passed all the required subjects at that level from the same Board/ University.
