

MCA Program Admission Brochure for BIT Mesra (Residential Mesra, NonResidential Lalpur) and its Off Campuses at Noida & Jaipur- Academic Year 2026-27 Master of Computer Application

Introduction

Master of Computer Applications (MCA) Program is of 2 years duration and the program is offered at BIT Mesra (Residential – Mesra, NonResidential- Lalpur) and its Off Campuses at Noida & Jaipur.

The Master of Computer Applications (MCA) program offered by the Department of Computer Science, BIT Mesra is one of the most coveted Post Graduate courses in the Institute. The course was originally designed as a three-year program to produce top quality, industry ready professionals who would provide tremendous value addition to the burgeoning IT service sector in the country.

In conformance with the guidelines issued by AICTE, the program is now being offered with a reduced tenure of two years, which features an intensive course curriculum and a multitude of sessional and laboratory courses. The course structure has been carefully designed with an even mix of courses addressing core facets of computer science and IT applications. We regularly invite eminent experts from the Industry and academia to moderate our course structures and are committed to updating them regularly to keep them relevant. Accredited by the National Board of Accreditation¹, the MCA program provides ample opportunities to students to hone their programming, application development and software engineering skills which are in high demand in the IT sector.
